CAR RUNS BY TERMINAL

Glides Along on Pavement as If Tracks Were Not Necessary,

The expected happened yesterday a street car ran beyond the end of the tracks at Fifteenth and G streets. A motorman was the cause of it all As the car approached the terminal, where the tracks end abruptly, the ovice motorman attempted to shut off 'juice." In so doing the handlebar ontrolling the current slipped off, and

The car wheels plowed through the The car wheels plowed through the asphalt pavement and were only stopped when the plow struck the end of the conduit. The plow and other paraphernalia underneath the car were oroken. A crowd quickly congregated and the new motorman stood around like a policeman feels when he puts on his uniform and goes on duty for the first time. The car, No. 338, was the first time. The car, No. 338, was taken to the shop for repairs. The new otorman went with it.

SAN FRANCISCO IN CHAOS.

Former Commissioner Biddle Says Conditions Are Bad,

sioner Morrow received a lette from former Commissioner Biddle, now stationed at San Francisco, saying that he conditions in the coast city are in a chaotic condition, unknown to the people of the East. Among other things he compared the city to a rudderless and masteress ship, saving that there was no execuive head and no real discipline.

He said that the citizens of Washington chould consider themselves fortunate in The street cars, according to Mr Biddle, are seldom running, and are at the mercy of strikers. Building operations are practically at a standstill as a result of strikes and excessive prices.
